

Doris Edwards is a retired Educator and lives in Kapilina Beach Homes. She is the President of Leeward Pilot Club of Hawaii. The Club is a 501C3 organization that provides volunteers to participate in community service projects.

For the past three years our premiere project has been providing 175 Veterans confined to Nursing Homes in the state with hand written cards, TShirts, hats, socks candy and other gifts during Christmas, 4th of July and Veteran Day. We plan fund raisers and solicit donations to help pay for the gifts for the Veterans.

She is an active Volunteer at AMVETS West Oahu Veterans Center and a Red Cross Volunteer for the Food bank monthly giveaway.
